## *Dedication*

---

The Annual Staff is proud to dedicate the 1970-71 Eagle Annual to Mrs. Oleta Stevens. Mrs. Stevens has taught in the Public Schools for thirty two years. Seventeen of these years were dedicated to teaching students of New Diana Elementary School.

Mrs. Stevens came our way to teach others to live together, to grow in love, to discover the art of give and take, to learn to exchange ideas and to enhance our knowledge of the world about us.

We love and cherish the many fond memories shared with Mrs. Stevens. May her years of teaching be endless.

## THE MAGIC OF A FACE

A smile - a frown - joy, and sadness, all are the expressions of a face. The magic of a face often reveals more than words could ever say. As faces are the theme of the "71 EAGLE" we hope to capture the many faces and moods of both Student Body and Faculty throughout the year.

Remember the good time  
in the 2nd year when I  
was 8 or 9. I was engaged  
in a 3rd year school with you  
and I think you said the  
school was not good enough  
for me.
